

Ministry Volunteer Opportunities

Do you sing, play a musical instrument, or have a desire to work in the sound booth? The worship team is looking for individuals to join them Sundays for worship. If you are interested contact Dennis Pierce at 507-213-7429 or dpierce1863@gmail.com.

Children are never too young to learn about the love of Jesus and no one is too old to be part of sharing the Good News with them. We need Subs and Teachers For Children's Church. If interested contact Lisa Schodorf at 920-450-3518 or lschodorf0419@gmail.com.

Perhaps you would enjoy working with our growing Student Ministry. As our young adults grow up in our increasingly challenging culture, we are looking for adult volunteers that would enjoy spending time with our Youth. Sound like you? Contact Pastor Blake 507-469-9603 or bburton@applefreechurch.org.

Whether or not you have an eye for design, we need you! We need volunteers to periodically help decorate the church. Please consider how you can help beautify our church. Have ideas? Or interested? Contact Gay Noggle at 920-574-2914 or garylannog@gmail.com.

If you like sharing God's Word with growing believers and enjoy the fellowship of believers, Small Groups are forming, and they may be for you. Please contact Pastor Blake 507-469-9603 or bburton@applefreechurch.org for more information.

Do you have a green thumb? Do you enjoy fixing things? We have a place for you. Join our Building & Grounds crew by contacting Ted Parish at 920-878-0391 or tedparish7@icloud.com.
